## BINGO TIME (TO THE NEAREST HALF HOUR) BOARD W

### K-2nd Grade Mathematics

#### **How to Play:**

1. Each player chooses a Bingo Time Board (Board W or Board X).
2. Shuffle the Bingo Clocks Card Set 2 and place them face down in a stack.
3. Take turns choosing a card from the stack and finding a time on your board that matches the clock.
4. BOTH players put 1 counter on their board where they see a time that matches the clock card. If the time appears more than once, players choose which space they would like to cover.
5. The first player to get 5 in a row wins.
