BINGO TIME (TO THE NEAREST HOUR) BOARD V

K-2nd Grade Mathematics

How to Play:

1. Each player chooses a Bingo Time Board (Board U or Board V).
2. Shuffle the Bingo Clocks Card Set 1 and place them face down in a stack.
3. Take turns choosing a card from the stack and finding a time on your board that matches the clock.
4. BOTH players put 1 counter on their board where they see a time that matches the clock card. If the time appears more than once, players choose which space they would like to cover.
5. The first player to get 5 in a row wins.
