Debate Self-Reflection

1. What were your individual strengths preparing for/during the debate? What could you have improved upon?
2. What successes and challenges did your team face when preparing for and/or during the debate?
3. What new insights/perspectives about the play did you gain from the research and/or debate process, including the other team's arguments and rebuttals?
4. What is one valuable lesson you learned from the debate experience? How might that lesson be applied to other areas of your academic and/or personal life?
