# Museum Exhibit Group Planning Sheet

## 1. Design

- Will you use the template or create your own design?
  - Provided template
  - Find a template
  - Original design

- What order will the topics be presented in? Why? How will the layout help viewers navigate and engage with the exhibit?

---

---

---

---

- What color(s) will you incorporate in your design?

---

---

---

- What font(s) will you use? What size font will you use in each section?

---

---

---

- Other Design Choices: \_\_\_\_\_

---

---

## 2. Text Features

- What will you title the exhibit? Will there be a subtitle?

---

---

- What other traditional text features will you include in your exhibit (table of contents, title page, subheading, etc.)?

---

---

---

---

# Museum Exhibit Individual Planning Sheet

## 1. Content

- Artifact Label Key info: What revisions or edits do you need to make to the key info on each of your artifact labels?

---

---

---

---

- Artifact Label Informative paragraph(s): What revisions or edits do you need to make to the writing?

---

---

---

---

- Artifact Label Informative paragraph(s) appositive phrases: What appositive phrase(s) did you include on each artifact label? What noun does the appositive phrase rename, add details about, or further define?

---

---

---

---

---

## 2. Text Features

- What will be the sub-title of your section of the exhibit?

---

- What traditional text features will you include?

---

---

---

- What interactive text feature(s) will you include in your section of the exhibit? How does the interactive text feature help viewers engage, navigate, and understand the content in the exhibit?

---
