

**RACE TO 10 GAME BOARD F (COMPARE)**  
K-2nd Grade Mathematics

**How to play:**

1. Take turns spinning the spinner.
2. Count the dots on the spinner.
3. Put that many cubes on your ten frame.
4. Cover 1 square with 1 cube.
5. Compare:
  - a. Who has more?
  - b. Who has fewer?
  - c. Do you have the same?
6. Keep spinning and adding more cubes until your ten frame is full.
7. If a ten frame is full, start a new round!
