

Revision Strategy Menu 1

Add

Ask yourself: "What can I add to make my writing clearer or more complete?"

When to use:

- Writing needs more explanation
- Missing information or a linking word (like *because* or *also*)

Example: I ran fast to help Jason. → I ran fast to help Jason because my Zapato Power shoes made me zoom like a superhero.

Delete

Ask yourself: "Is there anything extra or off-topic?"

When to use:

- Repetition of the same words, phrases, or ideas
- Writing goes off topic

Example: I used my Zapato Power shoes to find Puppy; ~~and then I said hi to my teacher about math homework.~~

Change

Ask yourself: "Can I say this in a better way?"

When to use:

- A word or phrase is not clear
- Make the message stronger by using different words

Example: Freddie's shoes are cool. →

Freddie's Zapato Power shoes are amazing because they make him zoom faster than a train.

Rearrange

Ask yourself: "Would my writing make more sense in a different order?"

When to use:

- Important details are out of order
- Words, phrases, sentences, or ideas are confusing

Example: Freddie ran to Starwood Park with his Zapato Power shoes. First, he rescued Puppy from the street.

→ First, Freddie rescued Puppy from the street. Then he ran to Starwood Park with his Zapato Power shoes.
