Add

Ask yourself: "What can I add to make my writing clearer or more complete?"

When to use:

- Writing needs more explanation
- Missing information or a linking word (like *because* or *also*)

Example: I think immigrants make our community stronger *because* they bring new ideas and traditions.

Delete

Ask yourself: "Is there anything extra of off-topic?"

When to use:

- Repetition of the same words, phrases, or ideas
- Writing goes off topic

Example: Immigrants help us~~, and we go to school~~.

Change

Ask yourself: "Can I say this in a better way?"

When to use:

- A word or phrase is not clear
- Make the message stronger by using different words

Example: Immigrants are good for the city. → Immigrants make our city better by sharing food, music, and ideas.

Rearrange

Ask yourself: "Would my writing make more sense in a different order?"

When to use:

- Important details are out of order
- Words, phrases, sentences or ideas are confusing

Example: They share new holidays and food. That's why I think immigrants help our town. → I think immigrants help our town. They share new holidays and food.
