Dear Jamie,

I want to tell you about someone who has had a huge impact on the world. I think Soichiro Honda made a big impact on the world. His inventions made reliable and efficient car travel possible. He made cars and motorcycles. Travel became easier for everyday people. I think he is a great changemaker.

Sincerely,

June

Example #2

Feb. 24, 2025

Dear Jakari,

I want to tell you about Soichiro Honda. He changed the world. He was **determined**. He did not give up. He was innovative. He solved problems for people. He listened to others' ideas. His father was a blacksmith. These traits helped him make inventions. His inventions helped people every day. I think Soichiro Honda is a great changemaker.

Sincerely,

Kai
