Writing Prompt

Look closely at [Robert's Rules of Order](#) by Mashpee Wampanoag artist Robert Peters. Use your imagination to write 3–5 sentences that describe the scene in detail. Make sure that in each sentence the subject and verb agree. Write at least one sentence for each of the following:

- A singular subject
- A compound subject
- A collective noun as the subject

Underline the nouns in each sentence and draw an arrow from each verb to the noun or nouns it agrees with.
