Self/Peer Feedback Form

	Strengths What is the writer doing well already?	Criteria Expectations for the writing task:	Areas for Growth How could the writer make the writing even stronger? How can the writing improve?
Introductory Statement		Include an introductory statement that introduces the article by its source, title, and author (if applicable), and its overall central idea.	
Structure		Logically arrange main ideas so that they are clear for the reader.	
Supporting Details		Include two–three supporting details to elaborate on some main ideas.	
Transitions		Use transitional words and phrases to link main ideas and supporting details.	
Relative Clauses		Use at least two relative clauses to add detail to the sentences and/or to combine two related sentences.
