

Name: _____ Date: _____

Single Paragraph Outline

Topic Sentence: When Europeans arrived in North America and started the US government, their actions had serious and harmful effects on Indigenous Nations.

- Detail 1: forced relocation → moved off homelands; harder to practice traditions
-

- Detail 2: government control → could not practice sacred ceremonies; limited sovereignty
-

- Detail 3: boarding schools → children separated from families; punished for their language and culture
-

Concluding Sentence: Because of the actions taken by European settlers and later the United States government, Indigenous Nations faced deep hardships that disrupted their lands, sovereignty, and cultural traditions.
