

Name: _____

Date: _____

Revise the following sentences by deleting unnecessary words or phrases.
Cross out the words being deleted.

1. It was two full moons, just about a month now that Tree-ear had been working and doing chores for Min, but it seemed like a very long time, a year or even longer.
2. Having finally selected a design that he would use to decorate the vase, Min began incising it into the clay.
3. Tree-ear was so upset and hurt he could hardly breathe on his walk home from Min's house.
