

Name: _____

Date: _____

Read the following modified excerpt from page 24 of *The Breadwinner* and correct any inappropriate shift in verb tense throughout.

"Other people lived in the part of the building that was still standing. Parvana sees them as she went to fetch water or goes out with her father to the marketplace. 'We must keep our distance,' Father told her. 'The Taliban encourage neighbor to spy on neighbor. It is safer to keep to ourselves.'"
