

## What Makes a Superhero?

| <b>Superpower:</b> <i>What is my superpower? How does it look in action?</i>                                                                          | <b>Origin:</b> <i>How did I get my power?</i>                                                                                             | <b>Personality &amp; Interests:</b> <i>What kind of person am I? What do I like or care about?</i>                                                                                                         | <b>Motivations:</b> <i>Why do I use my power?</i>                                                                                                   |
|-------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"><li>• Telekenisis—move objects with mind</li><li>• Focus hard</li><li>• Glow or shimmer around the object</li></ul> | <ul style="list-style-type: none"><li>• Meteor landed in back yard</li><li>• Touched glowing rock</li><li>• Felt wave of energy</li></ul> | <ul style="list-style-type: none"><li>• Curious</li><li>• Determined</li><li>• Caring</li></ul>                                                                                                            | <ul style="list-style-type: none"><li>• Help friends and family</li><li>• Make community better</li><li>• Protect environment and animals</li></ul> |
| <b>Relationships:</b> <i>Who matters to me? How do they influence my choices as a superhero?</i>                                                      | <b>Problem:</b> <i>What challenge do I need to solve using my power?</i>                                                                  | <b>Solution:</b> <i>How do I use my powers to solve my problem? Do I use only my superpower or do I use my other abilities as well?</i>                                                                    | <b>Lesson:</b> <i>What lesson do I take away from using my power?</i>                                                                               |
| <ul style="list-style-type: none"><li>• Grandma matters most</li><li>• Use powers to help, not show off</li></ul>                                     | <ul style="list-style-type: none"><li>• Bridge fell</li><li>• Cut off from town</li><li>• Can't get supplies or get help</li></ul>        | <ul style="list-style-type: none"><li>• Can lift the pieces of the bridge, but can't fix</li><li>• Hold the pieces while builders/engineers fix</li><li>• Others in town organize as it is fixed</li></ul> | <ul style="list-style-type: none"><li>• Use powers responsibly</li><li>• Can't do everything alone</li><li>• Together stronger</li></ul>            |
